Storefront Tradeshow Online Other _____

Certain Greystone Images products have minimum retail prices that must be adhered to, with the only exception to this being any products that are clearly marked at a sale price. For businesses that take part in tradeshow in Alberta and/or Saskatchewan (this includes farmer's markets, home parties or any other sales that take place at a non-permanent location), you will be provided with a list of shows where you will not be allowed to sell Greystone Images products at. Any business caught not following these regulations may have their wholesale account revoked.

The items listed below are available to purchase at wholesale prices from Greystone Images. Those items that have a minimum retail price are marked with an asterisk.

- Limited Edition Drawing Prints*
- Photo Prints* (available as photo paper print, dry mounted/laminated print, stretched canvas print and metal prints)
- Framed Prints (both drawings and photos)
- Barnwood/Rustic Furniture
- Barnwood/Rustic Frames and Mirrors
- Miscellaneous Home Décor

The following items can be found on my website, but are currently NOT available for purchase at wholesale prices:

- Gone Cowgirl Products
- Cutting Boards
- Rustic Lamps/Lighting
- Original Drawings

Framed prints, furniture, and home décor items are all custom built as orders are placed and will take a minimum of 6 weeks to be completed. An approximate completion date will be given when order is placed, but no guarantees can be made.

A current list with wholesale discounts and prices will be sent out once approved. These prices are subject to change without notification. The opening order must total a minimum of \$1000 retail price (price listed on the website), but no down payment is necessary. Once the opening order has been made, there are no minimum orders on IN STOCK items, but a minimum order of \$500 retail value will remain on any custom built products (previously listed), with a 25% down payment being required when order is placed. Payments must be made in full before the order will be shipped/delivered, with shipping costs being the responsibility of the purchaser. Payment can be made by check, money order or Paypal invoice (credit card can be used in Paypal without an account).

Along with this signed application, a copy of your GST # (the letter from the Canadian Government stating your name and the GST number) and/or your Business Licence is required to be approved. By signing below, you have acknowledged that you have read and agree to the content of this application.
